

# **The Punishment Of My People The Salvation Army And Samaritan's Purse, My Son**

**“My son, they don’t work for Me, but for themselves. I Am against the Salvation Army, My son. They refuse to work for Me. I called them to preach My Gospel around the world, and that they refuse to do. They have abandoned Me to do charitable acts. They have added on many things of charity that are not of Me. And as for Samaritan’s Purse, why won’t they preach the Gospel? I have called them to preach the Gospel all over the world and in America. That they do to some extent, but it is a one-man operation preaching My Gospel. Why are My stadiums and arenas left empty, My son? What happened to the days of Billy Graham? All they care about is charity now, for it makes them the most money. My people are not interested in the Gospel because the people of the world are too proud for it these days. That they cannot accept because they love the world and the things of the world too much, My son. With hearts full of pride they cannot accept it anymore. And My people don’t preach it because it has gotten on the back-burner in their lives, My son. That they will not preach because they are more concentrated on money than My Gospel, My son. That they refuse to do for fear of man, and their lukewarmness and cowardice, My son. That I will judge. Samaritan’s Purse has got to go, because they refuse to obey Me anymore. People are not sent out into My mission**

**fields around the world because they refuse to go, having loved money in their hearts and are full of lukewarmness and cowardice, My son. My people are afraid to give up their lives for Me on foreign lands, so it is just a one-man operation preaching the Gospel nowadays. That I will punish with fury, for they will not obey Me, My son. Repent Franklin, and obey Me, your LORD. Your LORD has spoken. Amen and amen forever, wicked people of sin!"**
